WATERSOUND ORIGINS, Inlet Beach, FL

Located in Watersound Origins, 280 Log Landing Street features the sought-after Eliot plan by Romair Construction, offering 3 bedrooms, 3 bathrooms, and 2,261 square feet of thoughtfully designed single-level living. Positioned on a west-facing pond lot, the home captures beautiful sunset views and a sense of privacy that is hard to replicate.

The outdoor space is a standout, designed for both relaxation and entertaining. A private heated pool and cabana with fireplace create a natural extension of the living area, while custom gutters add long-term functionality. The pond backdrop and open setting provide a clean, unobstructed view of natural surroundings and an easy, low-maintenance outdoor experience. Inside, the home is professionally decorated by K&J Design Group, elevated, and lightly lived in as a second residence. Ten-foot ceilings, a 16ft sliding door to porch, hardwood flooring, and a well-executed open layout create a comfortable flow from the main living area to the kitchen and outdoor spaces. The kitchen is equipped with upgraded quartz countertops, a Bosch appliance package including a gas range, refrigerator, and dishwasher, and a large walk-in pantry for additional storage.

The primary suite offers a spacious retreat, complemented by bathrooms finished with Carrera marble countertops and quality fixtures throughout. Additional whole-home

features include a comprehensive security and video system, Sonos surround, generous attic storage, and a two-car garage.

Well maintained with active service contracts in place, the home presents as move-in ready and can be offered fully furnished, providing an easy transition for a second home or full-time residence. A strong combination of layout, condition, and setting makes this a standout opportunity within Watersound Origins.
