SANTASIA PARK 4TH ADDN, Fort Walton Beach, FL

*VA Assumable 2.375% Bal. \$276,050. Pymt 2,087.06. Located in a well-established Fort Walton Beach neighborhood with quick access to both military bases and the Gulf Coast lifestyle, 33 SW Temple Ave places you approximately 7 miles from Hurlburt Field, about 9 miles from Eglin Air Force Base, and roughly 6 miles from the beaches of Okaloosa Island. Whether commuting to work, heading to the water, or accessing shopping and dining, this location keeps you close to it all while still offering the comfort of a residential setting. Built with a durable brick and Hardie board exterior, the home offers strong curb appeal with a covered front porch, oversized driveway, and fresh front-yard sod already in place. The flat backyard provides functional outdoor space while double gate access on both sides creates room for boats, trailers, equipment, or future additions. A covered back patio extends the living area outdoors for year-round enjoyment.

Inside, the split-bedroom floor plan creates privacy and flexibility with the primary suite positioned separately from the four additional bedrooms. Two separate living spaces allow room for entertaining, a media room, office setup, or multi-generational living arrangements. The home also features both a breakfast nook and formal dining area, giving buyers options for everyday living and larger gatherings.

Additional upgrades include stainless steel appliances, a wired security system, lawn pump and sprinkler system, and a termite bond already in place for added peace of mind.
