Welcome home to this move-in ready, one level, 3 bed/2 bath beauty! Location is everything; convenient to military bases, shopping, hospital & schools. This spacious unit lives large and was completely updated just a few years ago! The heart of any home is the kitchen and this one is top notch with crisp white cabinets, creamy quartz countertops, sleek hardware and new appliances (2020). Quality waterproof vinyl plank, wood-look flooring throughout; fresh paint, smooth ceilings with new light fixtures and ceiling fans.

The master bathroom has a clean, modern look with custom tiled shower and on-trend pattern flooring, new vanity with quartz countertop and new faucet.

This attached home is an end unit with a semi-open concept, vaulted ceilings and private patio off the kitchen. Just outside the living room is a screened in porch that overlooks a serene wooded area with mature landscape. The screened porch also has clear vinyl panels to cover the screens to create a Florida-room. The community pool is just a hop-skip down the street where you can enjoy splashing or lounging without the hassle of upkeep because the HOA takes care of the pool AND the lawn care, and the roof/ exterior maintenance and termite prevention.
