WATERSOUND BEACH, Inlet Beach, FL

Welcome to 58 Coopersmith, a unique offering within the gated confines of Watersound Beach. Backing up to Deer Lake State Park, the location marks the perfect setting for this custom built home featuring elements not seen in its surrounding neighbors. The New England architecture blends perfectly with rustic elegance. Such features include solid hand-hewn beams accenting various areas of the home and holding center stage in the open floorplan living/dining/kitchen area, custom reclaimed wood floors throughout the home, and various ceiling and wall accents of reclaimed barn wood and pecky cypress. Truly an entertainer's dream, the main level was designed to merge indoor and outdoor living by simply opening the nano doors from the living area to the backyard oasis.

Built in 2019
