Residential on 0.57 Acres

Watersound Camp Creek, Inlet Beach, FL

An incredible private retreat located in Watersound Camp Creek that sits on a 0.57-acre homesite with private on three sides. While the setting feels secluded, the amenities of the Watersound Beach Club and Camp Creek golf course are just minutes away. Offering 8,309 square feet of air-conditioned living space with six bedrooms, seven and a half baths, this home excludes a level of comfort rarely seen.

12 foot ceilings throughout the first floor help create a grand affect that flow into the main living area and kitchen with a 14-foot vaulted ceiling. The great room has exposed beams and a floor to ceiling stone fireplace framed by lighted floating shelves. Leading outside to the resort style pool, a four-panel Euro Wall slides completely into the wall to create an ideal environment for indoor/outdoor living.

The kitchen is built for both everyday cooking and large events. It has two islands and a six burner Wolf Range accented by a custom bronze vent hood. A large butler's pantry handles prep and staging out of sight of guests. A private office and a breakfast nook sit just off the kitchen. The formal dining room has seating for up to twelve with room for large buffet to assist in entertaining. While just off the formal dining area, is a temperature-controlled glass wine room that holds up to 800 bottles. Across the main level, the library offers a quiet retreat behind glass

doors, with a coffered ceiling, a warm wood accent wall and a linear gas fireplace. The primary suite has a 14-foot vaulted ceiling, a sitting area and a stone-clad linear gas fireplace. It includes separate his-and-hers bathrooms finished in Cristallo Taj Mahal quartzite, along with custom built-in closets. Four more bedrooms on the main house's plan each have a walk-in closet and a private en-suite bath.

A glass elevator and the staircase both rise to the second floor, which works as a separate living level with three large bedrooms with their own ensuites. It has a large second floor living area that can be utilized as a game and media area, with its own beverage/coffee bar and its own laundry room. This gives guests and family plenty of space without taking away from the main living areas.

Outside, an 800-square-foot covered patio serves as a full outdoor living and dining room. Its kitchen has a gas grill, a large burner stove, a beverage cooler and an ice maker, all arranged around a black granite bar. Accompanied by a spacious outdoor dining area and a lounge area with a fireplace that leads into the fully equipped guest house gives visitors complete independence. It has its own living area, kitchen, bedroom, full bath and stackable washer and dryer, so it suits guests, extended family or a live-in caretaker.

Just beyond, a resort-style pool includes a spa, in-pool lounge deck and a waterfall feature highlighted by two built in palms. The lot still has room for future additions, such as a pickleball court or a putting green.

All within this expansive home, it offers so many features such as a dedicated gym with built in stretch bar. The main laundry room has a built-in dog shower and tons of built in

storage. Behind the scenes, the house has a whole-home dehumidification system to protect it from coastal humidity. It also has tankless water heaters, 400-amp electrical service and two large mechanical storage rooms. Vehicles and gear fit in a three-car garage and a separate two-car garage, totaling 1,736 square feet. Both garages have 13-foot ceilings, high-lift door openers and epoxy floors designed for the car enthusiast.

This incredible private retreat comes complete with a Watersound Lifestyle membership allowing the new owners to immerse themselves in the true lifestyle of the Emerald Coast.
