Residential on 0.07 Acres

ALYS BEACH, Inlet Beach, FL

Sea Garden Courts, sited just south of the enhanced wetlands on the western side of Alys, are composed of three sets of two 29-foot-wide residences, with pedestrian paths between each. Privacy -- a much desired quality in these homes -- is established in several ways. The entries are separated from the street by tall built-in planters and trellises. These lead to a stair hall that ushers one into the main living floor, elevated half a floor above grade. A simple great room that spans the width of the home and offers a 16-foot tall ceiling lends scale and grandeur to these urban residences. This great room, composed of a gracious living room and kitchen with an alcove dining area, in turn opens out to a private lushly landscaped walled courtyard with a small dipping pool. Across the court
