SIGNIFICANT LIST PRICE REDUCTION
• The Destin Executive Airport (DTS), located in the heart of Destin, Florida, rarely offers private leaseholder interest in hangar opportunities. We are now offering one of the finest hangars that will accommodate quite an array of aircraft. The conditioned space offers a large automatic roll-up door for rear access of vehicles, with an enormous automatic bifold door, both of which contain sensors to shut off both air conditioner units once either door is automatically opened. The current lease term matures in 2037, with a (20)-year option to renew thereafter, which length of term and option to extend has become quite a rarity in and of itself at this private airport.
